

INSTRUCTIONS

Chair Rack

1. Hook CHAIR RACK onto fixed ladder, as shown on the back of the outside carton.

2. Fix CHAIR RACK to fixed ladder, using the short strap (42"). Buckle should be at the back, behind fixed ladder. Pull strap tight.

3. Load up to six chairs onto rack, and secure with straps attached to CHAIR RACK. Pull straps tight.

4. Place the long strap (54") around the lower part of the chairs to secure against the fixed ladder to prevent them from swinging.

NOTE: To assist in following steps 2, 3, and 4, refer to photographs on the front of the carton.
